[1] As fieldwork is examined- we are considering several days on East Coast for coastal studies.

[2] Exam board stipulates residential fieldwork to be conducted. UK location- possibly N.Devon FSC to be used.

[3] Several days required at GCSE for a mix of human and physical fieldwork.

[4] Barcelona is likely to be moved into A2 and the Spencer Time area between AS-A2 as students will need to take part in a fieldwork investigation and use Summer to begin writing up.
