

Principal: Helen Corbett

18 January 2021

Dear parent/carer

Remote Year 13 Progress Evening 2020-2021

Progress Evening for Year 13 will take place via video this year due to the coronavirus restrictions and guidelines from the DfE. We believe in the importance of communication with parents regarding their son/daughter's progress and hope that you will be able to attend. Our Progress Evening will be held via video link using software called SchoolCloud on Thursday 21st January. The Progress Evening will run from 4:00pm until 7:00pm and your son/daughter's subject teachers will be available during a designated slot. As I am sure you can appreciate, in order to ensure that all parents are contacted, these conversations will be limited to 10 minutes in duration with a 1 minute gap between each video call. Please note the software being used will end the video call after exactly 10 minutes and will give a 30 second countdown before the call ends. To enable a rich discussion to take place, the subject teacher needs to be able to have a dialogue with you and your son/daughter, please try to ensure you are all available when making your appointments.

To book an appointment please log on to SchoolCloud: <https://georgespencer.schoolcloud.co.uk/>
If this is your first time logging on to this software you will be prompted for some information regarding yourself and any children that attend George Spencer Academy. If you wish to know more about the log on process and how the platform works please watch this short video: <https://vimeo.com/473882995>. All appointments will need to be booked by 8.00am on Thursday 21st January to ensure teachers can start at 4.00pm on the day.

The aim of this Progress Evening is for teachers to have a dialogue with both the student and parent to ensure students continue to engage with the remote learning offer. As external summer exams have officially been cancelled, we are yet to find out how the assessment of students in Y13 will happen, Miss Jenkinson's letter sent to you on Thursday 7th January provides the latest update. You should also be aware that UCAS predictors are not the same as predicted grades, so please do not assume that the UCAS grade is a final predicted grade as performance can always change throughout the year.

There is also the opportunity to book a 10 minute appointment with Mrs Fawcett, Director of Sixth Form or Mrs Mockridge, Pastoral Support Assistant if you have any pastoral issues you wish to discuss in person.

We do not envisage any technical issues during the evening, however if you cannot connect to SchoolCloud at the agreed time slot, the email addresses for every teacher in Year 13 is also attached to this letter. Teachers may not be checking emails unless they cannot connect to a parent at the specified time. If you have recently updated your email address or contact number, please can you contact param@george-spencer.notts.sch.uk

We look forward to speaking to you to discuss your son/daughter's progress on Thursday 21st January.

Kind regards

Miss J Gordon
Vice Principal

Mrs K Fawcett
Director of Sixth Form
