

Principal: Helen Corbett

Year 13 offer from 28th May 2021

23 April 2021

Dear Year 13 parents and carers,

It has been an unprecedented two academic years for our current Year 13 students, since they embarked on their Post-16 courses. The manner with which our students have coped with this has been outstanding and they have truly embraced our core values, in particular showing resilience and a true love of learning.

The final day of daily attendance at Sixth Form will be Friday 28th May 2021 and we are currently exploring options with regards to end of year traditions in line with government restrictions. Details will be issued at a later date regarding these.

In the lead up to their final gradings some students may be concerned about what their future holds and how to address any gaps they may have before embarking on their planned Post-18 journey. This letter outlines the continued support and guidance George Spencer will offer during the second half of the Summer term, from Monday 7th June 2021.

In keeping with our core values, the Learning Managers, Director of Learning and Pastoral Support Assistant (PSA) will continue to be available. The well-being of all our students continues to be a priority and well-being checks will be carried out alongside regular communication via the Year 13 Google Classrooms and school email addresses.

Our continued offer includes:

- Signposted virtual resources regarding access to funding Post-18
- Careers advice for those who are yet to finalise their Post-18 plans
- Well-being support for those that require it from 28th May
- Information regarding apprenticeships will be shared where we have been provided the details

If you wish to talk to a member of staff regarding transition to Post-18 education please contact the most appropriate person for your request from those listed below.

- Information regarding UCAS – Mrs K Fawcett kfawcett@george-spencer.notts.sch.uk
- To request a careers appointment – Mr P Burrows pburrows@george-spencer.notts.sch.uk
- For any well-being concerns – Mrs K Mockridge – kmockridge@george-spencer.notts.sch.uk

Over the coming months, we continue to encourage students to have a healthy balance between preparing for the next stage in education and looking after their well-being. Some useful links are listed under 'well-being' on the student hub, which they are all familiar with. All Year 13 students have also received the information contained within this letter in person or via email today.

Thank you for your continued support.

Mrs H Corbett
Principal

Miss J Gordon
Vice Principal
