

Lateral Flow Test Centre – Quick Guide

All testing will be in the Gym. You must wear your face covering and social distance at all times.

Line up socially distanced on the grass outside the Gym.

If it is raining, line up socially distanced under the sports hall canopy.

When directed, you will enter the Testing Centre.

Go to the identified Registration Desk for your group.

Once inside the Testing Centre, follow the instructions to be seated.

You will be directed to sit in a numbered Testing Bay.

Read the instructions on 'self-swabbing':

- Put your face covering in your pocket.
- Blow your nose and put the tissue in the bin.
- Sanitise your hands.
- Follow the instructions of the Test Assistant/self-swabbing sheet to carry out the test.
- When finished put your mask on.
- Use a wipe to clean the mirror and the table top.
- Put the wipe in the bin.
- Sanitise your hands.
- When directed exit the Testing Area.

Do not disturb other students doing their tests. Exit the Testing site and go back to your lesson.

You will only be contacted if your test is positive. Your test result will be text and/or emailed to your parent/guardian.
