George Spencer Academy

On-Site Testing: September 2021

Overview for managing the testing of students during the first week back in the autumn term:

- We will test students 2 times on school site within their first week, 3-5 days apart.
- Students will return to school following their first negative test result.
- On the day the students have their first test they will return home for the rest of the day. They will start their autumn term the day after their first test, provided it is negative.
- Students who have not opted to be tested will start their autumn term on the same day as the rest of their year group.
- Students will be issued with home testing kits for home testing, which will follow the on-site lateral flow tests, throughout September.
