

## GSA Curriculum Map 2021-22: ICT, Business and Computing

We aim to develop future entrepreneurs and leaders who:

- are provided with the appropriate knowledge and skills needed to develop their employability and identify business problems and opportunities.
- have a greater understanding and awareness of the world they live in, but more specifically how individuals and businesses work within an economy.
- have a broad and deep knowledge of the legal, political, social and environmental context of business
