Statement of Comparability

Dear parent/carer,

Thank you for your enquiry regarding applying for George Spencer Academy Sixth Form.

Applicants have to meet specific criteria in order to be offered a place at our Sixth Form. These are our entry requirements, and are attached with this letter for your reference. This outlines the minimum you need to achieve in your GCSE's in order to study the courses you choose.

When an applicant, like yourself, is applying from overseas, and are not studying GSCE's or iGCSE's, then you will need to apply for a Statement of Comparability.

This application compares your qualifications to the UK education system, and gives us the equivalent level to a GCSE. This can then help us to determine if you have met the requirements for the courses you have applied for.

The application is to be completed online via this link:

<https://enic.org.uk/Qualifications/SOC/Default.aspx>

Please be aware that UK ENIC do charge for this service.

This is something that you will need if you wish to study in the UK. Once you have received the documents, please email them across to us, so we can continue to process your application to study at our sixth form.

If you require any further information, please email sscholes@george-spencer.notts.sch.uk

Yours Sincerely

Miss S Scholes
