Dear parents and carers,

I hope you are all well and have had a peaceful break over the Christmas period.

As you may be aware the NEU (National Education Union), who are the biggest teacher union in England and Wales, have voted to take strike action over the coming weeks and months. We wanted to keep you informed of the current position at George Spencer Academy. We can confirm that the dates we may be affected are **Wednesday 1st February** (national action), **Wednesday 1st March** (regional action), and **Wednesday/Thursday 15th/16th March** (national action).

At present we are unable to predict the extent to which George Spencer Academy will be affected by the strike action however we do know it is likely we will not be able to open for a normal school day for all our year groups and will need to implement a form of remote offer for some cohorts. We are carefully planning our educational offer for the first strike day on Wednesday 1st February and I will write to you again next week with more detailed information to provide you with as much notice as possible.

Kind Regards,

Mrs H Corbett
