### Step Up to Sixth Form

A warm welcome to George Spencer Academy Sixth Form from all of us in the Sixth Form team. We are delighted that your son/daughter has decided to join our Sixth Form for the next stage in their educational journey. We are an extremely ambitious Sixth Form provider that will allow your young person to be supported, be independent and be themselves.

Over the summer holiday we have asked all the students to complete a number of transition tasks. These tasks are designed to foster a love of learning, to give students some valuable background knowledge of their chosen A- Level subjects and to smooth their transition into Sixth Form. You can find a link to all the transition materials here:

<https://sites.google.com/george-spencer.notts.sch.uk/studenthub/6th-form/subject-transition-work>

We really appreciate your support in encouraging and enabling your son/daughter through these Step Up to Sixth Form materials. They are required to complete all the tasks for each subject that they are studying and hand in paper copies of all completed work on their first day in September. This work will be assessed by the teacher to gauge attitude to learning, effort and ability in these subjects.

Our new students are also asked to complete a Unit of Study entitled Step Up to Sixth Form. Please follow the link here:

<https://sites.google.com/george-spencer.notts.sch.uk/studenthub/6th-form/passport-to-post-16>

Please use the school's password to access these materials: **GEOR90**

This is their opportunity to prepare themselves for the essential skills for studying at a higher academic level, including note taking skills, personal organisation skills and having a goal that drives them. As with the transition materials, they are required to hand in paper copies of the completed Step Up to Sixth Form work, to their Learning Manager, who will be allocated to them on their first day with us in September.

We are very much looking forward to working in partnership with you to support and encourage your son/daughter on the next steps of their academic journey. If you have any questions or concerns, please contact [sscholes@george-spencer.notts.sch.uk](mailto:sscholes@george-spencer.notts.sch.uk)

Yours sincerely

A Woollard  
Director of Sixth Form

S Crawford  
Director of Year 12
