

Principal: Helen Corbett

Step Up to Sixth Form

A warm welcome to George Spencer Academy Sixth Form from all of us in the Sixth Form team. We are delighted that you have decided to join our Sixth Form for the next stage in your educational journey. We are an extremely ambitious Sixth Form provider that will allow you to be supported, be independent, be you.

Over the summer holiday we would like you complete a number of transition tasks. These tasks are designed to foster your love of learning, to give you some valuable background knowledge of your chosen A- Level subjects and to smooth your transition into sixth form. You will find a link to all the transition materials here:

<https://sites.google.com/george-spencer.notts.sch.uk/studenthub/6th-form/subject-transition-work>

Please complete all the tasks for each subject that you are studying. You will need to hand in paper copies of your completed work on your first day in September. This work will be assessed by your teacher to gauge your attitude to learning, effort and ability in these subjects.

You are also asked to complete a Unit of Study entitled Step Up to Sixth Form. Please follow the link here:

<https://sites.google.com/george-spencer.notts.sch.uk/studenthub/6th-form/passport-to-post-16>

Please use the school's password to access these materials: **GEOR90**

This is your opportunity to prepare yourself for the essential skills for studying at a higher academic level, including note taking skills, personal organisation skills and having a goal that drives you. As with the transition materials, you are required to hand in paper copies of your completed Step Up to Sixth Form work, to your Learning Manager, who will be allocated to you on your first day with us in September.

We are very much looking forward to working with you in September and joining you on the next steps of your academic journey.

Yours sincerely

A Woollard
Director of Sixth Form

S Crawford
Director of Year 12
